## Metfence® Panel

Metfence is the low cost, economical & low maintenance fence

---

### The Product

Metfence® by Metroll is the economical, colourful, private, low maintenance, secure, long-life and attractive fencing. Manufactured from Colorbond® Steel in a range of colours or in Zinalume® Steel, there is also an option to have the Metscreen Fencetop Panel installed on your fence as well, for added privacy. Metroll fences have no gaps, so you get more privacy than conventional timber fences.
